

MTA Coaching Course

The Manitoba Trapshooting Association is offering a training seminar for individuals who wish to become trapshooting coaches.

Information will be presented relevant to all areas of ATA trapshooting.

This course offers training for dealing with the “walk-on” student, either adult or youth. It is practical course, designed to address the field coaching situation in which the instructor will not have the benefit of a classroom or a chalkboard and will probably be working with a student who is nervous, lacking information, unsafe, and in possession of a gun that doesn't fit.

Course Instructor: Harry Humby

Time and Place:

9:00 AM, April 14, Brandon Gun Club

9:00 AM, April 28, Winnipeg Trap and Skeet Club

To Register: Send your name and a cheque made out MTA, to \$10 to Barry Blair.
199 Ashworth St. Wpg. R2M 4X1

Enrollment: on a “first come” basis.

Lunch and coffee breaks will be provided.

To become a Level 1 Trapshooting coach, recognized by MTA, the participant will require this course as well as the online course, offered by Sports Manitoba, called: “Respect in Sports”. It can be found at:
